 of June of the same premises, by the consent of the interested parties

H. H. Henry
 M. C. Surveyor

Survey made this the 10th day of September 1874 In John Stepp
 S. Hall W. W. Hall, Joseph Adams, ^{Section 36 78 N 11 W} David Finly and others
 commencing at the East th mile post on ~~said section~~ ^{line} George Finly
 and W. W. Hall being sworn as chain bearers. Thence North via 4°
 42.16 ch to ~~North~~ sec line and drove temporary stake. Adjourned
 for the day to meet on the morning of the 11th inst at the North
th mile cor of 2d section. We met at the 1st temp & place and
 owing to the absence of W. W. Hall one of the chain bearers, William
 Beakler was duly sworn as one of the chain bearers. From the
 said North th mile corner we proceeded East 39.84 ch and
 established the N.E. section corner by driving a stake and
 taking the following witnesses $26\text{ft} 2\text{in} N 15^{\circ} E - 18\text{L}$ $4.0.20\text{in}$
 $N 25^{\circ} W 52\text{L}$. Established the 18 sec corner midway on the said
 line & took the witnesses $4.0.20\text{in} S 34^{\circ} E 32\text{L} - 4.0.18\text{in} N 70^{\circ} E$
 33L . Hence South 2600 ch to south side of public road
 went to dinner - Thence from publick road South 41.30 ch
 to center ^{line} of section. Ran the line from S.E. cor to center of
 section 40.50 ch. Established the 18 sec corner at the crossing
 of the last line named with the North & South line above named
 took the following witnesses to said corner $26\text{ft} 15\text{in} S 42^{\circ} W$
 $26\text{L} - \text{Hickory} 16\text{in} N 75^{\circ} E 91\text{Lks}$. All the above named parties and
 others interested in ^{line} section 26 from ^{line} above named were duly
 notified of the above survey as appears from the return made which is
 on file in my office
